WORK EXPERIENCE

- **Catawba Industrial Rubber Company, Inc.** | Warehouse, Sales & Operations | Charlotte, NC | (Summers 2018 & 2019)
 - Learned and supported end-to-end warehouse operations, from sales to shipments.
 - Quickly advanced from order processing to sales and customer service roles. Provided unique solutions to individual client needs, and processed client invoices and payments.
 - Maintained accurate inventory comprised of 200+ SKUs totaling over \$200K. Reconciled electronic and physical counts and corrected variances in company computer system.
 - Ensured proper product certifications and safety protocols.
 - Partnered with teammates to ensure timely delivery and closure of projects to clients.
- **Discover Technology** | S.T.E.M. Teacher | Charlotte, NC | (Summers 2016 & 2017), mentored by Dr. Lorna Finman, Stanford PhD in Physics, owner Discover Technology.
 - Taught computer and technology classes focused on basic principles of coding. Used innovative self-developed lesson plans to inspire and motivate 4th and 5th grade students.

EXTRACURRICULAR

- **Boys Scouts of America, Eagle Scout** (2006-2016)
 - Achieved highest Scouting rank through a ten-year commitment to a comprehensive program designed to build character and effective leadership skills. Excelled at exhibiting resiliency and adaptability to challenging situations.
 - *Eagle Project*: Developed and executed plans for an educational, native plant garden for a non-profit preschool. Demonstrated strong peer communication, oversight and planning. Gained board approvals, raised project funds, created garden design, and managed over 100 volunteer hours.
 - Chosen by Scout Leadership to act as Crew Leader for two-week Philmont, NM camping trip. Responsible for planning, safety training, and daily camp site decisions for ten scouts and adults for a 9-day hiking and camping trip covering 100+ miles in extreme summer conditions.
- **Captain - NCSU Esports Team**, 2017 & 2018
 - Advanced team through strategy development, conflict resolution, practice organization, and role assignments leading to a top 16 finish in a 250-school international tournament.
- Other Interests: Strength training, cooking, and reading
